

The Sacramento Area Black Caucus presents

Community Services Project

Collecting Medicine, Medical Supplies and \$\$ donations for First Garifuna Hospital in Ciriboya, Honduras, founded by Dr Luther Castillo Harry, Director of the First Garifuna Hospital in Ciriboya, Honduras.

The First Garifuna Hospital serves the isolated Garifuna communities living on Honduras' Northern Caribbean coast. The hospital, built in 2007, receives medical equipment from Cuba and Medical Brigade doctors to provide free care. The hospital serves a community of more than 30,000 (60,000 including the surrounding area). To date, it has provided free medical consultations and medicine to more than 500,000 Garifuna patients. It is the only free hospital in Honduras.

Collection Dates: July 1 through July 27, 2012

Community members can donate medicines, medical supplies OR make a financial donation to support this effort!!

List of supplies needed for children and adults: aspirins, cold medicines, sinus medicines, ibuprofen, acetaminophen, Imodium, multi-vitamins, bandages, band aids, hand sanitizer, thermometers, and blood pressure ([sphygmomanometer](#)) device. Also you can make a financial donation. Please make the check payable to: CHIMES (California Honduras Institute for Medical and Educational Support), is a 501 c 3 non p-profit organization, P.O. Box 162126, Sacto., CA 95826.
